Dear Sir

Mr Snook you had better
give Burton Abbott more
time than one week. As you
an the Twelve Jurors are standing
or sitting ~~at the~~ ⁱⁿ ~~Barney~~ ^{fact}
if Burton Abbott is ^{put} to Death row
at San Quentin. You an the twelve
jury men will not be here
to convict another not guilty
man. Why in Hell don't you
get the guilty! You Damned
Fear you know that Burton
is not guilty. You had better get
more acquainted with Ferromon.

I can get Twenty Thousand people
that will swear that your going to
have the wrong man ^{sent to the gas} _(over) ^{Ch...er}

You an the Twelve
Juryman should be tar
a feathered an then bwrnth
