By the way have you cracked
the last cipher I sent you?
My name is —

A E N ⊕ ⊗ K ⊗ M ⊗ ↓ N A M

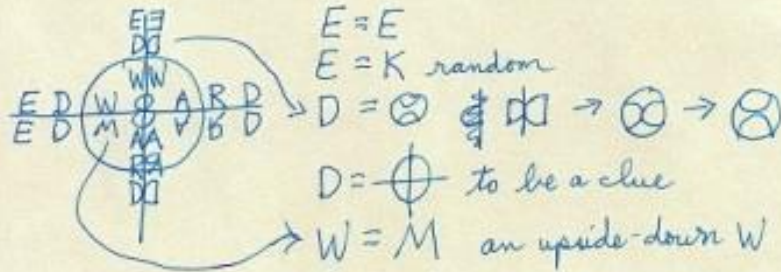

I am mildly cerous as to how
much money you have on my
head now. I hope you do not
think that I was the one
who wiped out that blue
meannie with a bomb at the
cop station. Even though I talked
about killing school children with
one. It just wouldnt doo to
move in on someone elses territory.
But there is more glory in killing
a cop than a cid because a cop
can shoot back. I have killed
ten people to date. It would
have been a lot more except
that my bas bomb was a dud.
I was swamped out by the
rain we had a while back.

I have become very upset with the people of San Fran Bay Area. They have not complied with my wishes for them to wear some nice Φ buttons. I promised to punish them if they did not comply, by anilating a full School Bass. But now school is out for the summer, so I punished them in an another way. I shot a man sitting in a parked car with a .38.

The Map coupled with this code will tell you where the bomb is set. You have until next Fall to dig it up. Φ
