 for me to get your letter.  
 Anyway, I'll talk to you  
 back there that will be  
 all kinds of time!  
 Thank you for your  
 letter & I'll be seeing  
 you soon. Don't come  
 here or I can't see you.

Yours

John, 5-4-10

I was up in the law lib today, & found out I cannot get the "Death Penalty" for a 1977 murder in Ohio. So what does the D.A. say about that? Did you know that when you were here? Would you please give me an answer. My court date was moved back again. It was on the news but they did not say when. I think it will be in Aug or Sept. now. Another question, what makes you think Wt. will tear me over to you? I'm just an old man wondering what my life is going! I would really like to know the above because there is another state that would have to have me & they did, & still do, have the death penalty in 1977.

Hay this is Ed Edward.  
checking in.

Have a good day!

John,

I forgot to put this in the other letter. Please let me know what is going on so I can let my city know in a nice way. This is really going to set him off as he has put in alot of work on this case. Both Atty's even went to Ky. to talk to my wife. So please let me know. Also, if my son Jeff Edwards, ever calls you for any kind of information please give it to him. I told him to call you should he have to. Thanks. We don't really care for this Brian Johnston. We were good friends in the street, but not know!

Hi John, 5-14-10

I received your letter of the 10<sup>th</sup> and thank you very much. I'm sorry about some of the things I said but Brian Johnston really had me upset! (We were friends on the street and I even campaigned for the Sheriff there in George County. He was a good man. I understand he has passed away. Now, let us talk about a Guarantee!

I want a guarantee that if I enter a plea here in Wisconsin that Ohio will be at my side and take me back right then. No fooling around! I want to see that guarantee from the D.A. in Akron as well as the D.A. in Wisconsin. What about the

papers the Gov. of the State must sign? Really, I want to know what is going on and I want a guarantee! Can you please write me a letter about all of this and let me know what is going on? Talk to me on paper as I can't talk to you here. By that I mean in person. You can call on the phone. If you don't have to go through Garcia then please don't. I can't stand that guy and all he can do is lie! I hope you will have some information for me real soon. Remember, please have all guarantee in writing. Thank you very much.
